TOTAL 126

*Students must take two semesters of the same science for four semesters of science.

Required hours for graduation are 126 plus the credit hours from successful completion of RPED 250, 251 and all required ROTC courses.

**Students must take a two-course sequence of the same history: Western or World

***Students in a Teaching Specialization must maintain a cumulative GPA of 2.750 or higher.

Students who, through previous academic study or experience are deemed qualified may bypass Elementary (101-102) and/or Intermediate (201-202) courses in their chosen language, provided that they pass the next higher level course with a "C" or better. Bypassed courses will be included on the Citadel transcript as if they had been completed at The Citadel on a Pass/Fail basis.

+ROTC hours (credit, lecture, and/or lab) may vary each semester by military department; however, the total hours which may be applied toward graduation requirements may not exceed 16 semester hours.

++Core Math Requirements—Other Possible Math Sequence Choices: MATH 104/106, 105/106, 106/107, 119/105, 119/131, 131/107, or 131/132
