Updated 13 AUG 2015

*Students must take two semesters of the same science for four semesters of science.

**Students must take a two-course sequence of the same history: Western or World.

Thirty-three credit hours of coursework are required in one language at the 300- and 400- levels.

For all majors these required courses include 301 and 302.

Students who are proficient in the language may bypass Elementary (101-102) and/or Intermediate (201-202) courses in their chosen language, provided that they pass the next higher level course with a "C" or better. Bypassed courses will be included on the Citadel transcript as if they had been completed at The Citadel on a Pass/Fail basis.

Required hours for graduation are 126 plus the credit hours from successful completion of RPED 250, 251 and all required ROTC courses.

+ROTC hours (credit, lecture, and/or lab) may vary each semester by military department; however, the total hours which may be applied toward graduation requirements may not exceed 16 semester hours.
