Please respond to the following questions/statements in order for the Internship Coordinator to collect and measure self-reported growth and development from Experiential Learning. If you have questions, let me know. Thanks for your participation, Susan W. Pope, Internship Coordinator, Career Services spope@citadel.edu or 843-953-1618.

On a scale of 1-5 (1 being not at all and 5 being absolutely) please rate yourself as you see yourself currently:

1.) I feel prepared and informed for my Internship this semester (I had the necessary skills and info. to provide in my role as an entry level Intern) and understand that this opportunity is consistent with and supportive of my interests, abilities and career goals through exploration:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

2.) I know what is expected for my Internship position (day/time/work schedule, duties, who my preceptor will be, etc.) and will apply time management and transition from campus/collegiate life to the outside world/community:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

3.) I am aware of the work environment that I will work in for my Internship and am comfortable with that particular type of climate:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

4.) I am willing and able to work with a diverse group of people; accepting of a variety of cultures, backgrounds, and skill sets; and will demonstrate insight into my own biases, worldviews, attitudes including curiosity and openness and skills such as perspective taking and empathy, etc.:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

5.) I feel confident in using communication skills- both written and verbally:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

6.) I will be able to use and apply leadership skills during my Internship as it relates to assignments/projects:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

7.) I will be able to use my problem solving/critical thinking skills during my Internship:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

8.) I understand that an Internship might lead to an employment offer:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

9.) I will be able to use my reasoning skills to successfully make and interpret data and communicate results/findings during my Internship:

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

10.) I will be able to demonstrate skill in inquiry and analysis, synthesize info. from sources, draw conclusions and recognize implications and limitations.

   | 1 | 2 | 3 | 4 | 5 |
---|--|--|--|--|--|
   |   |   |   |   |   |

Additional:

1.) Share three goals (using the SMART technique- specific, measureable, attainable, realistic and timely) that you hope to successfully complete/satisfy for yourself- personal and professional growth:

   *   

2.) Feel free to add other areas of concern and/or confidence that will help us to measure your self-identified growth that may occur during the experience.
