Employer Policy & Guidelines for posting in Handshake

The Citadel Career Center is pleased to welcome you to join Handshake, our Career Management System. This system allows you to promote your opportunities to our students and allows us to vet each opportunity submitted for safety and quality.

With your contribution and opportunities, our students will gain a vast knowledge of professionalism, leadership, and problem-solving skills needed for them to be successful.

Due to the large number of leads, promotions, jobs, and requests for campus recruiting, we require all employers to register in Handshake prior to posting internships and jobs, visiting campus for a career fair or recruiting events, or prior to hosting an information session.

The Citadel Career Center adheres to all policies and procedures set forth.

Should you need help with any aspects of recruitment, The Career Center is available for assistance. Please email or call:
