Transfer Credit Policy
2019-20

The Citadel Graduate College does permit up to 12 hours of transfer credit from other accredited higher education institutions and from military education and training recommended for credit by the American Council on Education. No more than 12 hours may be transferred from other accredited colleges or universities (e.g. Southern Association of Colleges, North Central Association of Colleges and Schools, etc.). Exceptions may be granted by the Associate Provost of Enrollment Management. Only graduate credit hours in which grades of “B” or higher have been earned are transferable. Some programs allow fewer hours of transfer credit. Students should check the requirements for specific programs for CGC/EUGS Academic Catalog 15 the maximum number of credit hours that may be transferred into his or her program at The Citadel. To be transferred, credit hours must have been earned within six years of the date of admission to The Citadel. Students who desire to take a course at another institution for transfer while enrolled in CGC must obtain prior approval from their department head. Acceptance of transfer credits within the foregoing rules is the prerogative of the academic department or school. Ordinarily, course work accepted for transfer must parallel course work available at The Citadel. However, where the head of the major department or Dean of the school feels that graduate course work not equivalent to courses at The Citadel will enhance the program, up to six semester hours of such credit may be acceptable. These will be part of the maximum allowable transfer hours for that program.
