6. Regular work hours are from 8:30 AM until 5:00 PM. However, Managers and/or Department Heads have the authority to flex employees' hours to cover normal office hours, providing employees stay within the 37.5 hour work week.

Employees occupying all or part of an FTE position are immediately eligible for PPL. Eligibility determinations are made as of the date of the birth, adoption or foster care placement.
- e. An employee who adopts a child may use up to six weeks of accrued sick leave credits for the purpose of providing care for the child immediately following placement. Leave time authorized by this section may be approved only if the employee is the person who will be primarily responsible for the care and nurturing of the child during this period.
- f. Human Resources may require verification of illness for time missed if sick leave is used. This verification consists of a health care provider's statement of the need for sick leave and gives the inclusive dates of the leave.

4. Blood Drives / Bone Marrow Donors / Organ Donor.
- a. At times convenient for the employing department, employees will be permitted to participate in blood drives during your work hours without using accrued leave. The college may deny the employee's request for time to donate if the absence of the employee would create scheduling difficulties in completing assignments within the department or division.

6. Death in Immediate Family.

- a. In the event of a death within an employee's "immediate family," the employee may be granted up to three consecutive days of leave with pay. 8. Election Leave.

Unless a Declaration of Emergency has been issued, all State government employees are expected to report for work.
 - 1) If/when the Charleston County Administrator has announced that County offices will move to a delayed schedule, or close all offices, The Citadel will adopt the same operations schedule as Charleston County, with only designated essential personnel providing required support to campus activities.

- g. If an employee has already obtained approval for leave during the declared state of emergency, the employee may withdraw the approved leave and substitute the hazardous weather leave. Leave changes must be routed through the employee's supervisor and submitted in writing to the payroll office.

11. Leave Without Pay.

- a. In the event that leave is required beyond one's available sick and annual leave, a leave of absence without pay may be granted. Annex B **Employee Leave Transfer Program**

This document sets forth The Citadel Leave Transfer Program for all eligible faculty and staff members pursuant to the South Carolina Leave Transfer Act. Temporary employees, student employees, and any other employees not in a permanent position are not eligible. The request must be based on a personal emergency requiring time away from work which would result in a substantial loss of income because of the lack of paid leave.

Leave taken pursuant to this policy may qualify as FMLA leave and, if so, will run concurrently.

1. Leave Donations (1240.02).

- A. Faculty or staff members earning sick and/or annual leave may donate a specified amount of sick and/or annual leave to be transferred from their leave balance to The Citadel's Leave Pool. Leave donations must be made prior to 15 January of the following calendar year. Once leave of an employee has been transferred to a pool account, it may not be restored or returned to the leave donor. A donor of leave may also designate the recipient.
- B. Annual Leave - Faculty or staff may donate no more than one-half of the annual leave he/she earns within that calendar year to The Citadel's Annual Leave Pool.
- C. Sick Leave – Faculty or staff with more than fifteen (15) days in his or her sick leave account may donate no more than one-half of the sick leave that he or she earns within that calendar year to The Citadel's Sick Leave Pool. After the transfer the employee must retain a minimum of fifteen (15) days in his or her sick leave account. An employee with less than fifteen (15) days in his or her sick leave account may not transfer any sick leave to the Sick Leave Pool.

2. Leave Transfer.

Eligible faculty and staff members experiencing a personal emergency requiring time away from work for which they have no paid leave may request that a specified amount of annual or sick leave, as appropriate to their situation, be transferred from the leave pool.

3. Eligibility and Criteria.

- A. Only permanent faculty and staff members employed with The Citadel who accrue annual and/or sick leave are eligible to request a leave transfer from the leave pool.
- B. For purpose of this policy, a personal emergency is defined as a medical or family emergency or other hardship situation that is likely to require a faculty or staff

THE LANGUAGE USED IN THIS DOCUMENT DOES NOT CREATE AN EMPLOYMENT CONTRACT BETWEEN THE EMPLOYEE AND THE AGENCY. THIS DOCUMENT DOES NOT CREATE ANY CONTRACTUAL RIGHTS OR ENTITLEMENTS. member's absence from duty for a prolonged period of time and results in a substantial loss of income because of the lack of paid leave.

- C. A personal emergency is limited to catastrophic and debilitating medical situations, severely complicated disabilities, and severe accident cases which would complicate disabilities, and severe accident cases which would require a prolonged period of recuperation. Routine sick leave or leave resulting from elective surgery does not qualify for leave transfers from the leave pool.
- D. Leave requests for maternity reasons may be approved if the reasons constitute a personal emergency. For example, expectant mothers who must be on bed rest per a physician for a period of at least 30 workdays before delivery could qualify for the leave transfer pool. However, eligibility would end upon the birth of the child unless a catastrophic, debilitating, or life threatening situation arises for the employee or the child as a result of the birth.
- E. For the purpose of this policy, a prolonged period of time, as used in the definition of personal emergency, is generally interpreted to be a minimum of thirty (30) working days. A faculty or staff member must have been in leave without pay for a minimum of thirty (30) working days or be able to provide documentation certifying that a medical emergency will result in a period of leave without pay for that period of time. However, an employee who is within thirty (30) days of becoming eligible for long term disability benefits or disability retirement, and who has exhausted all accrued leave due to the prolonged personal emergency, may be considered for leave transfer even though the total period of leave without pay may be for less than thirty (30) working days.
- F. A faculty or staff member must exhaust all earned sick and/or annual leave prior to using approved transferred leave.
- G. Employees who become eligible for other paid benefits will generally be considered ineligible for leave transfer from the leave pool. Examples of other paid benefits include but are not limited to workers' compensation, long term disability, disability retirement benefits, military benefits, or any other source of income to the employee. Employees who have other household income that would not put the employee in a hardship situation will not be eligible for the leave transfer program.
- H. There is no limit to the number of separate requests that a faculty or staff member may submit; however, each separate request must be limited to no more than thirty (30) working days.
- I. When a faculty or staff member returns to work, and the personal emergency ends, or employment terminates, any transferred leave remaining in the leave recipient's balance must be restored to the leave pool. When employment terminates, payment for the accrued leave is included in the leave recipient's total service for retirement computation purposes.
