1. PURPOSE

The purpose of this policy is to ensure the effective use and enjoyment of the facilities of The Citadel as an educational institution. In line with this policy, The Citadel and its facilities are deemed to be a "non-public forum," unless otherwise expressly stated herein, for purposes of expressive conduct under the First Amendment to the United States Constitution. This policy is applicable to all users and potential users of Citadel facilities.

4. POLICY

A. General: All prior authority to authorize use of Citadel facilities is hereby revoked. All duly executed contracts in existence at the time this policy becomes effective will remain valid. However, upon publication of this policy, scheduling and negotiation authority to authorize use of Citadel facilities is centralized as described herein.

1. Any person or entity desiring to use a Citadel facility must obtain permission via the Event Management System (EMS) for internal events or approval through coordination with the Event Management Office for external events. All external events will require execution of a Facility Use Contract, which shall constitute a permit for use of Citadel facilities. All contracts for use of Citadel facilities must be signed on behalf of The Citadel by the Vice President for Finance and Business (VPFB), or his/her designee.

2. College properties shall be used only in accordance with federal, state and local laws and shall not be used for the purpose of organizing or carrying out any unlawful activity.

3. College facilities are provided primarily for the support of the educational functions of the College and the activities necessary for the support of these functions. The Citadel does not normally make available its buildings and other facilities to individuals or outside organizations for private use. Permission to use College facilities may be granted only if the proposed use is consistent with institutional policies and mission and the individual or organization fully reimburses the college for all appropriate costs. College functions take precedence over any other activities in the use of College facilities.

4. The Citadel will not lease facilities to outside individuals or entities during periods of critical academic and leadership achievement when the expected attendance exceeds thirty (30) persons. This restriction does not apply to rentals of the Holliday Alumni Center, Johnson Hagood Stadium (to include the Pearson Club Level and the Altman Center), the McCormick Beach House, or wedding and funeral events.

5. All persons on Citadel property are required to abide by Citadel policies and regulations and shall identify themselves upon request to Citadel officials or appropriate Citadel employees acting in the performance of their duties. Violation of such policies or regulations may subject a person to possible legal penalties; if the person is a student, faculty or staff member of The Citadel, that person may also be subject to College discipline.

6. Public expression in the form of freedom of speech and advocacy may be exercised in College facilities at such times and places and in such a manner as to assure orderly conduct, the least possible interference with College responsibilities as an educational institution, protection of the rights of
individuals in the use of College facilities, and reasonable protection of persons against practices that would make them involuntary audiences. The Citadel strictly prohibits the carrying or display of open flames, sticks, signs, posters, flags, banners, or any similar item anywhere on campus, with the exception of official activities of the South Carolina Corps of Cadets (i.e. Friday afternoon parades, spirit runs, or intramural athletics), similar activities of similar external military organizations, or intercollegiate athletics. Additionally, lessees may display flags, signs or banners inside McAlister Field House, Buyer Auditorium, the Holliday Alumni Center, College Park, the Robert McCormick Beach Club of The Citadel or Johnson Hagood Stadium, to include the concourse area, the Pearson Club Level, or the Altman Athletic Center, but may do so only during the time the individual or entity has leased and is in control of the facility. The Citadel prohibits the wearing of masks at all times and in all places outdoor areas on The Citadel campus, with the exception of masks necessary for operation of machinery, to include grass-cutting equipment, saws, paint or pesticide application equipment, and other similar activities.

7. In the spirit of open discussion and freedom of expression, the College will not discourage any group from using designated College facilities or services to render an opinion as long as the College determines the time, place, and mode of presentation of the views in question. In the absence of exigent circumstances, The Citadel designates the north steps before the western front entrance to Bond Hall as the designated public forum for Special Events for purposes of expression of opinion under the First Amendment. The College will not attempt to control the viewpoint of the speaker. The Online Event Inquiry (see Annex C for format) will be used to request a Special Event. Special Event requests should be submitted at least thirty (30) days in advance, but may be approved with less notice under extenuating circumstances. The approval process is managed through the Office of Event Management. The approval authority for Special Event permits is the Senior Vice President for Operations and Administration (SVPOA).

8. The name, insignia, seal, logo or other College or departmental indicia may only be used by College and non-university groups or organizations with prior approval of the appropriate College authority.

B. Process.

1. Internal Requests. Any campus affiliated unit, department or school, authorized club, and faculty / staff (non-personnel use) desiring to use a Citadel facility must enter the request through the Event Management System (EMS) for approval.

2. External Requests. The Office of Event Management serves as the primary point of contact for the coordination, scheduling, planning, and execution of special events on the campus of The Citadel. Outside individuals and entities who wish to rent space must complete the Event Inquiry form. The Office of
Event Management will coordinate the request and if approved will issue a Facility Use Contract. All contracts for use of Citadel facilities must be signed on behalf of The Citadel by the Vice President for Finance and Business (VPFB), or his/her designee.

3. The Event Management Office has responsibility for ensuring the requested space is suitable for the event, and that the proposed use complies with this policy. The Event Management Office will confer with the Vice President for Finance and Business and the Office of General Counsel, as appropriate, to develop terms for a contract to lease the desired facilities to the tenant. The Event Management Office will communicate terms to and negotiate with the proposed user of the facility.

4. Upon completion of negotiations, the Event Management Office will secure the client's signature on a draft contract, and deliver that draft contract to the Vice President for Finance and Business, or his/her designee, for execution. Facilities are not reserved until representatives of both The Citadel and the requesting individual or organization have executed a contract.

C. Scheduling.

1. Priority for use of facility use shall be as follows:
   a. Academic classes or academic research activities,
   b. Non-academic Citadel events with fees,
   c. Non-academic Citadel events without fees, and
   d. External events.

2. Any scheduled use shall have priority over any unscheduled use.

D. Hold Harmless Agreement and Insurance Requirements.

1. All non-Citadel users, including candidates and political parties and organizations, must execute a hold harmless/indemnification agreement in favor of The Citadel, its directors, officers, agents and employees.

2. Commercial users, including candidates and political parties and organizations, must procure and maintain general liability insurance, both for themselves and for any agents acting on their behalf, in the amount of not less than one million ($1,000,000) per occurrence and five million ($5,000,000) dollars aggregate, which insurance shall name The Citadel, its governing board, officers, agents, employees, servants and assigns, as additional insureds. Non-commercial users may be required to procure and maintain general liability insurance, at the discretion of The Citadel. Users must provide proof of insurance no later
than one (1) week after execution of the rental contract or five (5) days prior to the commencement date of the lease, whichever is sooner.

3. Only the President or his designee can reduce or waive the insurance requirement. Statements of self-insurance from other governmental agencies may be accepted in lieu of the insurance or hold harmless requirements.

E. Fees.

1. External. For-profit organizations and individuals will be billed the standard rental fee as determined by the Office of Event Management and all costs for damage caused during their use of Citadel facilities.

2. Governmental agencies and non-profit (501(c)(3)) organizations will be billed the standard fee (less 25%) as determined by the Office of Event Management and all costs for damage caused during their use of Citadel facilities.

3. Internal. Campus departments and recognized student organizations will be responsible for custodial and direct costs (excluding premium venues), as well as any and all costs for damage caused during their use of Citadel facilities. Premium venues (Holliday Alumni Center, Johnson Hagood Stadium (to include the Pearson Club Level and the Altman Center), and The Robert McCormick Beach Club of The Citadel) are charged the standard rate less 25%.

4. Custodial and direct costs are billed at actual cost to The Citadel, as are costs incurred as a result of damages caused by use of Citadel facilities. Administrative costs are established annually by the Project Management Office in consultation with the Associate Vice President for Facilities and Engineering and Event Management Office. The costs are approved annually by the Fiscal Review Board (FRB). Only the President or his designee may reduce or waive the custodial, direct, and administrative costs required by this section.

F. Sales and Solicitations. All commercial sales, solicitations, advertising or other commercial activity at Citadel facilities is strictly prohibited without prior authorization from The Citadel. Persons or entities wishing to use any Citadel facilities for sales and solicitation must fill out the online Sales and Solicitation Form (see Annex D for format).

G. Bulletin Boards and Other Postings. The Citadel prohibits posting of bills, advertisements or other materials on any College property other than in designated areas. Rules and Regulations for obtaining authorization for commercial sales and solicitation on The Citadel campus are published in Memorandum 2-13, Bulletin Boards and Posting on The Citadel Campus.

H. Political Activities. Political activities are governed by Memorandum 7-110, Political Activities on Campus policy. Political campus organizations shall have
access to selected College facilities on the same basis as all other campus 
organizations — in keeping with the rights of all members of the campus 
community to express political views. All political organizations are to be assessed 
the usual costs for the use of the facilities. A policy of nonpartisanship and 
neutrality will govern The Citadel at all times in its relationship with elected officials 
or persons campaigning for public office. The following guidelines will be followed:

1. Off-campus groups requesting rental of College properties, including those co-
sponsored by on-campus organizations for political activities, are required to 
include the following statement in all publicity: "This event (or publication) does 
not reflect an opinion or endorsement by The Citadel."

2. Citadel campus mail and e-mail will not be used to distribute political materials 
in any form. This applies to both members and nonmembers of the Citadel 
community.

3. Political campaign signs and handbills of candidates for public office, or for 
ballot initiatives or questions, are subject to the campus posting policy 
(Memorandum 2-13). Campus residents may only display political campaign 
signs and handbills of candidates inside their residences.

4. The Citadel will not sponsor or support political candidates, ballot initiatives or 
questions.

5. Candidates for public office and campaign organizations, regardless of their 
affiliation or non-affiliation with The Citadel, may rent campus grounds and 
facilities for campaign events. They will be treated as non-Citadel users and 
charged the full rental and related use fees applicable to the grounds or 
facilities they wish to use.

6. Candidates and campaign organizations may film, video tape, or shoot still 
photos on The Citadel campus subject to Memorandum 7-1, Photography, 
Filming and Videography on Campus, but may not express or imply an 
endorsement by The Citadel.

I. Catering. For the purpose of reducing the risk of liability and maintaining quality, 
food safety and control, all food sold and provided on campus must be supplied by 
The Citadel’s foodservice contractor. Exceptions may be made only upon approval 
by the President or his designee. Catering is accessible through the Sodexo online 
CaterTrax site.

J. Alcohol.

1. Individuals or groups who wish to consume alcohol at any event must complete 
and submit an online request for Registration for Events with Alcohol form (see 
Annex E for format), and submit it at least fourteen (14) days in advance of the 
requested use. All registrations must be approved by both Public Safety and 
the Senior Vice President for Operations and Administration.
2. All alcoholic beverage service must be provided by The Citadel, through its foodservice contractor. Organizations will be charged at current rates, and service will be in accordance with South Carolina law.

3. Citadel Public Safety must be notified of the date and time of all events at which alcohol service is to be provided. Citadel Public Safety will determine and provide the appropriate level of security coverage, and the leasing individual or organization will be responsible for all costs associated with that coverage.

4. All events with alcoholic beverage service must be substantially food related and include the availability of alternate beverages.

5. Drunkenness, vandalistic, or disruptive behavior associated with service of alcoholic beverages is not an acceptable norm of conduct on The Citadel campus and can result in termination of the facility use contract as well as denial of future use privileges. The Citadel reserves the right, without penalty, to refuse service of alcoholic beverages to an individual or to discontinue service at a function if, in its opinion, it is in the best interest of The Citadel.

6. Any member of the Citadel community found to be in violation of The Citadel alcohol policy shall be subject to disciplinary actions by the appropriate Citadel office.

7. Any exceptions to these guidelines must be made by the President.

K. Security. There will be no Department of Public Safety charges to the user when security needs can be met through the use of assigned duty personnel. Pursuant to the criteria set forth in Annex F, The Citadel’s Department of Public Safety (PSAF) will conduct a security assessment based on information provided through event registration and such other information as PSAF may obtain.

1. In consultation with General Counsel, PSAF will assess security needs based on objective and credible evidence of specific risks, and not on assessment of the viewpoints, opinions, or anticipated expression of event speakers, sponsors, participants, community, or performers. Permissible factors for consideration include but are not limited to: (a) the proposed location of the event, (b) the estimated number of participants, (c) the time of the day that the event is to take place, (d) the date and day of the week of the event, (e) the proximity of the event to other activities or locations that may interfere, obstruct, or lessen the effectiveness of the security measures being implemented, (f) the resources needed to secure the event, (g) the anticipated weather conditions, (h) the estimated duration of the event, and (i) any similar viewpoint- and content-neutral considerations relevant to assessment of security needs.

2. PSAF will make security recommendations that, in PSAF’s professional judgment, will address security threats identified as a result of the evaluation conducted pursuant to subpart B above. Recommended security measures
may include, but are not limited to, adjusting the venue, date, and/or time of the event; providing additional law enforcement; imposing controls or security checkpoints; and creating buffer zones around the venue. The goals of PSAF’s security recommendations will be to:

a. Minimize risks to the health and safety of the event participants and audience;

b. Minimize risks to the campus and surrounding community;

c. Maximize the ability of the event sponsors to successfully hold the event; and

d. Protect the exercise of rights of free expression by the event sponsors, participants, and community.

3. If PSAF determines the event has substantial security needs, the host organization must schedule a security assessment meeting with PSAF no later than four weeks prior to the event date. The meeting may include, as necessary, a staff member from Facilities and Engineering; Event Management; Campus Operations.

4. Should the event sponsors and PSAF be unable to agree on implementation of security measures or recommendations, the event sponsor may submit an appeal to the Senior Vice President for Operations & Administration or his designee for final determination. The Senior Vice President for Operations & Administration or his designee may determine the security measures required for the event based on PSAF’s security assessment. The goals of that determination will be to:

a. Minimize any identified threat to health and safety of the event participants and audience;

b. Minimize any identified threat to the campus and surrounding community;

c. Maximize the ability of the event sponsors to successfully hold the event; and

 d. Protect the exercise of rights of free expression by the event sponsors, participants, and community.

Implemented security measures may include, but are not limited to, adjusting the venue, date, and time of the event; providing additional law enforcement presence at the event; imposing controls or security checkpoints at the event; and creating buffer zones around the event venue; the Senior Vice President
for Operations & Administration or his designee will provide the event sponsor with a written explanation of the reasons for his or her final decision.

5. If during an event an imminent threat to safety or property arises, avoidance or minimization of which requires termination of the event, authority to terminate the event rests with the senior civilian administrator designated to oversee law enforcement operations. If no senior administrator is present or available, authority is delegated to the highest-ranking PSAF officer at the event.

6. The event sponsors must agree to reimburse costs of basic event security provided by PSAF. Security fees will be based on standard, approved, and published recharge rates for PSAF or other security personnel and for any associated equipment costs or rentals. The number of personnel and amount and type of equipment charged will be based on assessment including but not limited to the following criteria:

   a. Event venue, including venue size, location, number of entrances and exits to be staffed;

   b. Time of day;

   c. Number of expected attendees;

   d. Whether entrances will be controlled and whether tickets will be sold;

   e. Whether the event will be open and/or advertised to non-affiliates of The Citadel;

   f. Whether alcohol will be served;

   g. Whether there will be sales of food, beverages, or other items and whether cash handling will occur;

   h. Whether event performers/attendees come with personal security teams or details that require PSAF liaisons; and

   i. Whether event sponsors or event performers request additional security measures.
5. **COMPLIANCE**

Failure to comply with these policies may result in cancellation of the event and/or disqualification from use of facilities in the future. Any employee or student who does not comply with this policy may face disciplinary action.
