Drug-Free Workplace Act

Effective, January 1, 1991, the State of South Carolina enacted the Drug-Free Workplace Act, S.C. Code Ann. Section 44-107-10 of the South Carolina code of Laws. This Act prohibits state agencies from entering into contracts or making purchases in excess of \$50,000 from companies, regardless of their state of incorporation, who have not certified that they provide a drug-free workplace and that they will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance. To ensure compliance with the Act, The Citadel requires a signed certification from all vendors who do business with the College, regardless of the dollar amount of the purchase.
