

Health & Safety Planning Form
This form is to be completed 1.) If the program is traveling to a country with a U.S. State Department Travel Advisory, or 2.) If the program will not use any in-country providers/organizations for logistical support, or 3.) If OIDP will not be arranging your on-site logistics

Housing And Transportation
Student Housing: (select all that apply) Hotel ___ Hostel ___ Home Stays ___ Other ___
Will students have other housing options if they do not feel safe? How have homestay families and housing been screened?
Where is Faculty/Staff housing in relation to the students?
Local Transportation: How will the students safely travel within the country? <i>Note: Using drivers under 25 and unofficial transportation (i.e. Unlicensed/Uninsured drivers, motorcycle taxis, truck bed transport, etc.) is highly discouraged</i>
What mode of transportation is available in case of an in-country transportation strike?

Risk Management Planning		
<i>Describe potential concerns related to logistics, how to reduce risks as well as on-site support available to the group.</i>		
AREA OF POTENTIAL RISK	PREVENTATIVE SAFETY PLANNING	EMERGENCY SUPPORT
Illness		
Transportation		
Housing		
Access to Communication
